CHANGING HOW WE'LL SHARE OUR MAGICAL ADVENTURES...

Updates to how we share our magical moments online to combat safeguarding concerns in an ever-changing AI environment:

ACTIVITIES:

We'll keep sharing our magical activities - but no faces on display.

HANDS - ON CONTENT:

We'll still be showing us engaging in activities - with our hands.

BACK OF HEADS:

With parental/carer consent, we will share carefully chosen images that protect children's identities while showcasing their learning, play and development.

Seasonal Autumn Tray!

We arranged some leaves for the children to discover and explore! A perfect activity to start of the autumn season.

As we move into a new season please make sure to pack spare and warm clothes for wet and cold weather!

Food Bank Day!

THANK YOU TO EVERYONE WHO DONATED ON SUCH SHORT NOTICE! YOUR GENEROSITY IS AMAZING AND APPRECIATED.
4TH SEPTEMBER!

DENTIST & DRAGONS CAME TO VISIT!

We discussed the importance of brushing our teeth twice a day and reducing our intake of sugary foods.

The children had a great time trying on the face masks and gloves and receiving our own tooth brush to take home.

We hope our teeth are as beautiful as the dragons!
